

## **SERVICE PRICE LIST 2020**

Mbezi Beach, Ally Sykes Road, No.84.Dar-e-salaam | Bookings +255769073998 |  
info@kimz.co.tz

THESE ARE PRICES FOR SERVICES ALONE, IE. BRAIDING FEES.THEY DO NOT INCLUDE PRICES OF HAIR. TO SEE HOW MANY PACKS YOU WILL REQUIRE FOR EACH STYLE, PLEASE CHECK THE NEXT SECTION FOR AN AVERAGE ESTIMATE WE HAVE COLLECTED OVER TIME.

- 1. Crochet braids ( Kimz hair ).....38,000**
- Non- Kimz hair.....40,000
- With leave out .....35,000

Time is an average of 2 hours depending on how well detangled your hair is, perimeter size of your head, volume and length of your hair. Style Lasts up to 4 weeks with proper maintenance.

**2. Melanin twist out .....40,000**

Time is an average 2 hours 30 minutes. (Depending on individual hair factors), the process involves curling the hair around your perimeter to blend in with the extensions. Also the hair is pre-curved before your appointment to create the illusion of a natural hair twist out. Lasts to 6- 8 weeks under good maintenance. Low maintenance as it just requires you to twist the hair in big chunks at night every 3 days.

**3. Pick and drop** (With Crochet braiding)..... 45,000

Time is an average of 2 hours. (Depending on individual hair factors), it involves braiding individual braids on the perimeter (picking and dropping) and crocheting the section in the middle. Style lasts 3 weeks and will need to be retouched around the perimeter to look neater after 3 weeks to last longer.

(Entire head-individual braids).....50,000

Time is an average of 2 hours 30 minutes (depending on individual hair factors). No crochet, instead we braid individual braids the entire head. The process, involves pre-braiding your own hair into a strand and then redoing the process with the extensions to ensure that your own hair is protected on its own. If your hair is longer we may have to re-do the step a third time to make sure that the curl is visible.

**4. Gypsy locs ( full size ) .....76,000**

Time is an average of 3 hours. (Depending on individual hair factors).it is a 3 step process, first we pre-braid your hair into strands and then we add the curly hair to the strand by re –braiding the strand and the hair , then we wrap the new strand altogether with wrapping hair. This is also to protect your hair from breakage due to weight of the wrapping hair. It is recommended for individuals with hair at list 3 inches and above so that the style lasts. It is low maintenance and the style lasts more than 8 weeks, we recommend getting a touch up after a month so you can go longer. It is water friendly as you can wash the hair & swim with the hair.

**(Mini size)..... 60,000**

These are locs reaching shoulder length, so the difference between these locs and the full size gypsy locs is only the length. Process and qualities of the style are similar as the full size.

(New gypsy) .....30,000

Involves incorporating different techniques such as threading with gypsy locs tails etc. Styles are limitless, but the core idea is to have locs incorporated in the mix. This is supposed to be a short term style to last between 1- 3 weeks maximum and to foster growth of hair.

**5. Lita twists** (short ) .....40,000

Time is an average of 2 hours 30 minutes. The process involves pre-braiding your own hair into a strand then crocheting a strand of twisting hair and twisting it along with the strand. The style is water friendly

and could last up to 8 weeks. We encourage you to have a touch up on the perimeter after 4-5 weeks so you could go longer. It is low maintenance. Not suitable for people with damaged edges or thin hair.

(Long) .....50,000

Time is an average of 3 hours. The process is similar to the short twists, the difference comes with the length. We recommend you to avoid swimming as the hair could easily feel heavier and therefore stress the roots if the hair exceeds 3 packs. It is low maintenance but not suitable for people with damaged edges or thinning hair.

**7. Angelique pre-twisted** (short-crochet) .....38,000

Time is an average of 2 hours. The process includes pre-twisting the hair into twists ahead of your appointment, the twists will then be crocheted on to your cornrows. Style lasts up to 4 weeks or until the foundation of the crochet braids loosens up (based on factors such as : how soft your hair is, or whether we used braiding hair/threads along with your hair foundation to make it more sturdy ). Bonus tip: The hair could be re-used.

**8. Angelique twists -pre-twisted .....50,000**

Time is an average of 2 hours .The process involves twisting individual twists all around the perimeter of the head and the pre-twists are installed in the middle using the crochet method. The hair remains extremely versatile in styling, it is water friendly, and can last up to 4 weeks or more, we recommend touching up around the perimeter after 4 weeks or so to continue to last longer. Suitable for people with short hair or weak hair but want the look of twists.

**9. Passion twists .....50,000**

Time is an average of 3 hours .The process involves individually twisting your hair into a strand and then twisting the strand along with the curly hair. Style can last up to 4 weeks or more but touch ups are recommended after 4 weeks if you want to last longer with the hair. They are water friendly. For naturalistas, we urge them to stretch their hair (i.e. finely combed, blow dried or straightened) so their natural hair may not poke out of the twist.

**10. Simple buns & simple ponytails .....10,000**

**11. Advanced hair styling.....25,000**

This involves styling the hair into different up dos with twists and less simple techniques.

**12. Crochet braids Repair** .....10,000

**13. Locs & twist repair** .....20,000

**14. Detangling** .....5,000

Involves detangling of a crochet braids after installation after some time to return the matted or tangled curls back to individual curls.

**15. Wash and detangle** .....15,000

Includes washing, blow drying, oiling and detangling the curls on the installation without repairing.

**16. Wash, detangle and repair** .....25,000

**17. Wash and blow dry** .....7,000

**18. Wash and blow dry locs** .....10,000

**19. Blow dry alone/ wash alon**.....5,000

**20. Deep conditioning full service**.....10,000

**21. Taking down (undoing ) (crochet )**.....3,000

(Braids, twists).....5,000

(Locs) .....7,000

**22. Simple make up...** ..... 25,000

**20. Simple make- up + lashes** .....40,000

NB. Hair factors are: how well detangled your hair is, size of the perimeter, volume & length of your hair, volume and the length of the hair you want.

**AVERAGE PACKS FOR EACH STYLE**

Use of hair per style is an average collected by Kimz hair, please note that each individual is different and factors such as preference of volume & length of the style chosen, natural length and volume of your own hair and the perimeter of your head may all affect the number of packs you use.
